## NEOREST LE CES994WCS

### FEATURES

- Wall-hung simple luxury design with concealed valve and power.
- High-end feeling remote control corresponds with the toilet by the same silver look.
- ewater+ (Sanitizing technology) applied. ewater+ is an original technology by TOTO which could thoroughly clean the bacteria and debris that normal cleaning way couldn't clean with the hypochlorite electrolyzed from daily water.
- A perfect intelligent experience with all the sensing functions like 'auto flushing', 'auto deodorizing', 'auto lid open /close'.
- Washlet function provides warm water washing, dryer, heated seat, air exchange functions.
- Tornado flushing system applied. Original-design wide single water flow spiraling along the basin of toilet downwards while speeding up enables a quiet cleaning experience.

### SPECIFICS

- Size: 675\*423\*529mm
- Water Efficiency: Grade3
- Water use: 3L/4.8L
- Drainage: wall drain
- Flush system: tornado flushing
- Rough in: H=220mm
- Water supply: 0.05MPa (dynamic pressure) ~ 0.75MPa (static pressure)
- Power: rated power 839W  
max power 1284W
- Power supply: 220V(50Hz)
